7. [REDACTED] LIAISON Loch Johnson, Permanent

Select Committee on Intelligence staff, called with two requests: (a) he asked me to give him citations either in Executive Order or in legislation which create impediments to CIA's involvement in counter-terrorists activities (with particular regard to national as opposed to international terrorists groups). I said that I would check around and get back to him. (b) he asked me to find out exactly what the barriers are to CIA's destruction of documents [REDACTED]

I told him that it was my understanding that the House Assassinations Committee had put a stand-down on our destruction of the files, but would look into it and get back to him. STATINTL
